Congratulations to our 2nd graders who will be receiving their First Communion this Sunday! School mass next week (Apr 20) will be planned by the 2nd grade class and a class picture will be taken by Janssen's Photography after mass.

Re-Registration for 2018-19 School Year – If you have not filled out the re-registration form that was sent home last week, please do so and return ASAP. This helps us plan for teachers and resources. Thank you!

Parent Mass: OLV classes take turns planning school mass throughout the year. Once a year, during Play week, it is our OLV parents' turn to plan the school mass. There is a sign-up in your envelope today for school mass on Friday, May 11, 2018. Students love to see their parents participate in mass on this day. Please mark how you can participate in school mass on this day and return it to school. Readings will be sent home in a few weeks.

The 9th Annual Spring Gala Supper and Auction was a success! We do not have final numbers yet (we hope to have them by the end of next week) but the early numbers look really good. A huge THANK YOU to those that served on the steering committee this year; Rachel Tuel, Jennifer Frank, Sarah Karsnia, Jessica Mohagen, Marci King and Rachel Cox. This was Sarah and Marci's last year and we thank them for their many years of help. If there are parents interested in joining this group to plan future events, please let one of the committee members know or contact the school office.

Also a big thank you to all the parents that volunteered, sold raffle tickets or attended the event. All of this effort goes to making the Gala the huge success it was. If you have not recorded your volunteer hours in the binder by the office please do so or you can email Becky and she will add them to the list.

School/AR Books: Please keep on eye open at home for books that belong to OLV School or the teachers. Many of our teachers buy books with their own money to boost their classroom libraries. These books are checked out on an honor's system and not part of the library barcode system. Be looking for books with AR levels written on the cover, stickers on the spine or front cover with a reading level or teacher's name written in the front cover. Please return these books to school when they are found so other students have a chance to enjoy them as well.

Home & School Election Ballot for the 2018-19 school year is in your family envelope. Please fill out and return to school.

People are our greatest asset. Our teachers, staff, and families make OLV the wonderful school it is. To offer a just and respectful wage to our teachers, we will be working over the next years to adjust their salary schedule. Tuition for 2018-19 will increase \$150 to \$1875 for Catholic students and \$2375 for non-Catholic students. Tuition can be paid over 12 months of the year if that helps families budget. Please remember there are tuition scholarships available to ALL families (both Catholic & non-Catholic) for full or partial amounts.
