Statements are in your family envelope today – With only 4 weeks of school left, the business office is asking everyone to bring their accounts current. **All tuition is DUE by May 31st**all Kids Club and Lunch balances are due by May 15th. Final statements will be sent out June 1st (reflecting May lunch and Kids Club charges).....these will be due by June 15th.

Library books will be due back to school by May 18th in order to do inventory of the library. Please look for missing books and return them to school as soon as possible.

Board of Ed Elections will be held the weekend of May 12-13 during all mass times. If you need an absentee ballot contact Becky in the office. We thank those who have answered the call to serve.

Home & School's last meeting of the school year will be next Tuesday, May 8th. We thank Heather Dirkman and Brent Holland for their years of service on this board. Congratulations to our new board officers....President – Stephanie Wolden, Vice President – Danielle Jensen, Treasurer – Christine Markovetz, and Secretary – Kristina Miley.

Please watch the newsletters from your classroom teachers and the school calendar on the website for end of year field trips and celebrations. We have a busy May to wrap up the year. The final MAP testing session will be May 7th-18th. Help your child perform at their very best by getting enough rest and a good breakfast.

Even though spring is here, please keep these things in mind:

- Many classes go out for morning recess and it can still be chilly. Send a light jacket or sweatshirt for your child
- There is still plenty of sickness going around. Keep children home 24 hours after a fever is gone (without medication) or after vomiting has stopped
- **Tennis Shoes** – please make sure your child has tennis shoes to ensure their safety (less tripping or slipping)

Countdown to Summer Vacation!
19 School Days

May is Food Allergy Action Month

A food allergy occurs when the body has a specific immune response to certain foods. Sometimes, the body's response can be severe or life-threatening. Food allergies are a growing food safety and public health concern, according to the CDC. It is also estimated that between 4 and 6 percent of U.S. children are affected by some type of food allergy.

Among other things, Food Allergy Action Month was created to spread awareness about what food allergies are, how to recognize them and how to help someone who is having an allergic reaction. Common symptoms of an allergic reaction to food include the following:

- A tingling sensation in the mouth
- Swelling of the lips, tongue and throat
- Itching, hives, and a rash throughout the body
- Cramping, diarrhea or vomiting
- Wheezing and difficulty breathing
- Dizziness or lightheadedness
- Loss of Consciousness

These 8 Foods cause the most food allergies:

1. Peanuts
2. Milk
3. Shellfish
4. Soy
5. Eggs
6. Wheat
7. Tree Nuts
8. Fish

***Please Note: For the safety of all our students, OLV School is nut free. Thank you for complying!**
