During the Season of Advent, OLV School will be collecting food for the Otter Tail County Food Shelf. Just before Christmas break, our 5th grade class will deliver the donations and learn how the food shelf helps those in need of support. Please send in nonperishable food items (or cash donations) as part of a way to give back to our community this Christmas season. An idea for students to participate in is to put together a "birthday party" bag with a cake mix, frosting, candles, napkins... for a child's birthday. These are a special treat for families that are trying to feed their family but still celebrate their child in a special way as well.

December will be here this weekend. We know this is a busy month for families but it is also a busy month at school. Here is a list of dates to be aware of. Please note, we will **NOT** be doing a Parent Lunch day during December.

This week we remember Mrs. Sue Herder. She was the librarian at OLV for 25 years before retiring in 2015. Mrs. Herder gave her love freely to children and families alike. She will always be remembered for her kind, handwritten notes to students on their birthdays, her gifts of candy bars and her infectious smile. Mrs. Herder loved God, books, children and babies and shared that passion so warmly with others. May she rest in peace.

During the winter months we continue to get students outside to play as much as possible. Snow clothes get smelly and dirty so remind your student to bring these home to be washed. Along with winter play comes warm hats, and warm hats can mean lice. Encourage your student to not share hats with others, check their hair weekly for signs of lice and use natural sprays to help deter lice. Lice love clean hair but we are not suggesting you stop washing! Just be watchful for them.
