During the Season of Advent, OLV School will be collecting food for the Otter Tail County Food Shelf. After Christmas break, our 5th grade class will deliver the donations and learn how the food shelf helps those in need of support. Please send in nonperishable food items (or cash donations) as part of a way to give back to our community this Christmas season. An idea for students to participate in is to put together a "birthday party" bag with a cake mix, frosting, candles, napkins... for a child's birthday. These are a special treat for families that are trying to feed their family but still celebrate their child in a special way as well.

December is here! We know this is a busy month for families but it is also a busy month at school. Here is a list of dates to be aware of. Please note, we will **NOT** be doing a Parent Lunch day during December.

- Dec 11, (12:00 noon) Final National SCRIP order for physical cards before Christmas break
- Dec 11, Home and School meeting at 4pm, all are welcome to attend
- Dec 12, School mass celebrating Our Lady of Guadalupe with a bilingual mass at 9am
- Dec 18, Christmas Program 1:30 and 6:30. Doors open at 6, students can come over to their classroom at 6:10.
- Dec 20, student Christmas store in the morning in the Fellowship Hall
- Dec 21, 5th/6th grade Caroling around town

Mass this week will be on Friday, instead of Thursday. Parents are always welcome to join us for school mass at 9:00 am. Join us next week for our Bilingual Mass on Wednesday, December 12th, celebrating Our Lady of Guadalupe.

Christmas store donations of gift bags, tissue paper and new or gently used gift items can be dropped off in the school office (please no wrapping paper).

Congratulations to the 2nd graders that received First Reconciliation this past Saturday!

Parish Reconciliation Service is this Sunday, December 9th, at 3:00 pm. Students, in grades 3-6 that have received this sacrament will have a chance to have reconciliation before Christmas break.

During the winter months we continue to get students outside to play as much as possible. Snow clothes get smelly and dirty so remind your student to bring these home to be washed. Along with winter play comes warm hats, and warm hats can mean lice. Encourage your student to not share hats with others, check their hair weekly for signs of lice and use natural sprays to help deter lice. Lice love clean hair but we are not suggesting you stop washing! Just be watchful for them.

Friday, December 7th is the 4-H Afterschool program date. We had a great response to this program and have had to turn some people away as registration was full. Thank you to the 4-H Extension Office for providing this programming.

Our Milk Carton Recycling is going great! Students are surprised how much less garbage is created at lunch without the cartons in there. If there is a farmer that would like our food scraps for their animals, please contact the office.

Warm Winter Wishes
