Summer opportunities:

Epic! Many classes use epic! as a resource for audio books, educational videos and more. Epic! is offering 3 months for \$3 for new customers if families would like to take advantage of this opportunity over the summer. If interested go to getepic.com/Summer-of-Reading to find out more. We know that students that spend time reading over the summer retain their skills significantly better than those that do not read for 3 months!

iXL: All students have accounts for iXL that are accessible over the summer as well. This math and reading practice can be used on a desktop computer through a web browser or through the iXL app on a tablet or mobile device. Students can work at, above or below their grade level on skills.

From everyone
here at OLV
School, have a
safe and fun
filled summer!
