GOAL FOR 2020: PUT GOD FIRST IN EVERYTHING YOU DO.

CATHOLIC SCHOOLS WEEK will be celebrated Jan 26-31 this year. We will start with a kick off mass at 10:30 Sunday, Jan 31. There is a sheet in your envelope today to sign up your children to help with this special children's mass. Following mass there will be a family fun event with games and food that is open to the public. During the week, students go bowling, skiing and jumping at SkyZone. We also celebrate mass together as a school community and complete a service project. More information will be coming on this exciting week. Please note, **Andes is Wed and SkyZone is Thursday** of that week. Bag lunches will be provided for students both of these days. Guests are welcome to join us at any of these field trips but there will not be room on the bus, so guests are responsible for their own transportation and lunches.

STUDENTS in Kindergarten - 6th grade are participating in the Kid's Heart Challenge which is sponsored by the American Heart Association. All money raised goes to help individuals with heart disease and helps fund research. This fundraising event goes from January 6 to January 24. Families can participate online by going to www.heart.org/kidshheartchallenge or by collecting cash and check (please make checks out to American Heart Association). All money is due back to school on January 24. OLV does benefit from this fundraiser as well. The school earns money for the PE department, depending on how much total money is earned during the event.

DURING ADVENT, students and families collected money for The Children of St. Peter. The donations totaled \$788.67! Our original goal was to light one Christmas tree (\$300) and by the end we had filled 2 full trees and over half of another. Thank you, families, for your generous donations to help the Children of St. Peter have the school supplies they need!

THANK YOU to all the families that used Scrip for your Christmas shopping and gift giving. This month, you will be getting an update on your rebates earned from both the National and Local programs. Scrip cards are available all year, so stay in the habit of using them. The rebate really adds up and it can help reduce your tuition costs!

REMINDER: Communication about absent students and end of day changes should be emailed to contact@ffolvschool.org or a call made to the office (736-6661).

MAKE FEW RESOLUTIONS. MAKE SPECIFIC RESOLUTIONS. AND FULFILL THEM WITH THE HELP OF GOD.
