**Families should always** be on the lookout for lice. This is not just a winter problem, it can happen year-round. Weekly checks of your child's hair can help you stay on top of any concerns. There are also preventative sprays you can purchase and use on their hair and backpack. If your child is found to have lice, they may return to school after being treated and all nits (eggs) are removed.

**Reminder:** Communication about absent students and end of day changes should be emailed to [contact@ffolvschool.org](mailto:contact@ffolvschool.org) or a call made to the office (736-6661).
